A PINE WHOOPING COUGH REMEDY
Mothers, Dr. Bell's Pine-Tar-Honey is just the remedy for your children's cold ailments. The fact is that pine is a quick enemy of cold conditions. Its qualities loosen the mucous in the throat, soothe the lungs and open up the air passages. The combination of honey, soothing and pleasant, with the loosening pine quality makes this an ideal cough remedy for children. Each passing year brings for it, new friends. A family of growing children cannot afford to be without it. 25c. a bottle.

Martinez ferry, O.—Near the Riverside Bridge company's factory a houseboat, loaded with pretty young vacationists, was moored. But when the girls began to disport in the water every day, in garbs described as "close to nature," the workmen in the factory threw down their tools and spent their time in the windows and on the roofs of the building watching.

SALTS FINE FOR ACHING KIDNEYS

New York—Mrs. Jeanette Schwartz 106 years old, who weighed less than twenty-five pounds died recently. She was two and a half feet tall. At a party held just before her death, she recited and danced. Of late she had the habit of awakening during the night and calling for a glass of beer.

Yellow complexion, pimples and disfiguring blemishes on the face or body can be gotten rid of by doctoring the liver, which is torpid. HERBINE is a powerful liver correctant. Kalamazoo, Mich.—On the same day Eva Jackson found a sister from whom she had been separated for twenty years; helped to celebrate the twenty-first birthday of Charles R. Olmstead, and then, to cap the climax, married him. The sister is the wife of Arthur Brewer, a friend of Olmstead, through whom the sisters traced their kinship.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing once in a while, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful, in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and is far safer to flush clogged kidneys and stimulate them to normal activity, than any other salts.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding various complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
